O R D E R

WHEREAS West Kootenay Power and Light Company,  
Limited applied February 8, 1980 for the payment of a grant  
in aid of rural electrification; and

WHEREAS the Commission has reviewed the  
Application and supporting material and finds that the line  
extension conforms to the terms of Schedule 84 of the  
Company's filed tariff, applicable to electrical line  
extensions qualifying for rural electrification assistance  
grants; and

WHEREAS the line extension will supply electric  
power to customers in a rural designated area, which due to  
insufficient customers, would not otherwise receive electric  
service at reasonable rates.

.../2

NOW THEREFORE the Commission hereby orders that the amount of \$67,000.00 be recommended for payment to West Kootenay Power and Light Company, Limited pursuant to Section 107 of the Power Act, the said amount not exceeding 50% of

- (a) the capital cost of construction and erecting primary transmission lines and cables, service transformers, secondary lines, conduits, pipes, pipe-lines, storage-tanks and meters, and
- (b) the operating expenses for the supply of power in the said rural area and designates West Kootenay Power and Light Company, Limited, being an electric utility, to receive the said payment.

DATED at the City of Vancouver, in the Province of British Columbia, this 7<sup>th</sup> day of March, 1980.

BY ORDER
