CERTIFICATE OF
PUBLIC CONVENIENCE AND NECESSITY

WHEREAS BC Gas Inc. ("BC Gas") applied June 7, 1990 for a Certificate of Public Convenience and Necessity ("CPCN") pursuant to Sections 51 and 53 of the Utilities Commission Act to construct a propane gas distribution system to supply the City of Revelstoke ("the City") and the surrounding areas; and

WHEREAS BC Gas has been awarded financial contributions from the Provincial Government related to this Project; and

WHEREAS the Commission has considered the Application of BC Gas and supporting documentation and finds that the project as proposed by BC Gas in its Application is in the public interest.

NOW THEREFORE the Commission orders BC Gas as follows:

1. BC Gas is granted a Certificate of Public Convenience and Necessity under Sections 51 and 53 of the Utilities Commission Act for the construction, operation and maintenance of utility plant to enable BC Gas to provide propane gas service to the City of Revelstoke and surrounding populated areas.
2. BC Gas shall file monthly progress reports until commencement of natural gas service. The reports will provide updates to the construction schedule, expenditures, customer accounts and any changes to pipe locations or design criteria.
