O R D E R

WHEREAS British Columbia Hydro and Power Authority ("B.C. Hydro") applied April 10, 1990 for Commission approval of amendments to its Electric Tariff, Terms and Conditions, Standard Charges for Service and Definitions relating to the Distribution Extension and Service Connection Policies; and

WHEREAS on May 18, 1990 the Commission asked B.C. Hydro to distribute its Application to the Canadian Home Builders' Association ("CHBA") and the Urban Development Institute ("UDI") for comment; and

WHEREAS on May 30, 1990 the CHBA and UDI responded to the request for comments and advised the Commission of their concerns which primarily focussed on B.C. Hydro's processing of subdivision applications and the cost of underground extensions borne by developers; and

WHEREAS on June 7, 1990 B.C. Hydro filed minor amendments to its Application and requested an effective date for implementation of July 1, 1990; and

WHEREAS the Commission has reviewed the Application, amendments and comments from the CHBA and UDI and is satisfied that approval of the Application, as amended, is necessary and in the public interest.
