O R D E R

WHEREAS by Commission Order No. G-44-90 the public hearing of the Application of British Columbia Hydro and Power Authority ("B.C. Hydro") for approval of a Standard Form Industrial Contract for bulk transmission rate customers together with Tariff Sheets for amendments to Rate Schedule 1821 General Service - Transmission and the filing of Rate Schedule 1880 - General Service Transmission - Emergency, Maintenance and Special Supply was postponed to October 16, 1990 in Vancouver, B.C.; and

WHEREAS Commission staff issued an additional information request to B.C. Hydro to which a response will be made by September 21, 1990; and

WHEREAS on September 14, 1990, at the Pre-hearing Conference, there were additional information requests made of B.C. Hydro; and

WHEREAS B.C. Hydro and various interested parties have agreed to engage in further discussions with a view to narrowing the issues; and

WHEREAS the Council of Forest Industries, The Mining Association of British Columbia and Electrochemical Producers, collectively referred to as the "Industrial Users", requested a further delay in the proceedings; and

WHEREAS the Commission has determined that an additional delay into the proceedings is necessary and in the public interest.

NOW THEREFORE the Commission orders as follows:

1. The public hearing date of the Application is further postponed to 9:00 a.m., November 19, 1990, in the Hearing Room of the B.C. Utilities Commission, 6th Floor, 900 Howe Street, Vancouver, B.C.
