Commissioner)

O R D E R

WHEREAS:

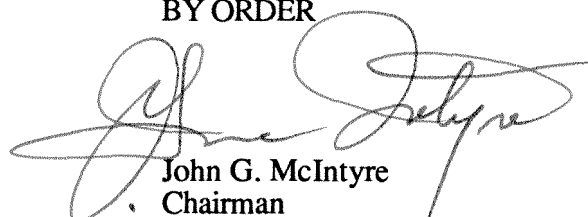

- A. On October 2, 1991 Centra Gas British Columbia Inc. ("Centra Gas") filed an application to consolidate its filed gas tariffs for its grid systems located at Fort St. John, Whistler, Port Alice, Nanaimo and Victoria, B.C. and to incorporate new Terms and Conditions to communities which will be receiving natural gas from the Vancouver Island Natural Gas Pipeline; and
- B. The terms and conditions of service and rates are required to allow Centra Gas to distribute natural gas in communities on the Sunshine Coast and Vancouver Island not previously served by local underground propane distribution systems; and
- C. The Commission has reviewed the Centra Gas Application and finds that approval of the Gas Tariff for new underground distribution areas on the Sunshine Coast and Vancouver Island, is necessary and in the public interest.

NOW THEREFORE the Commission hereby orders as follows:

1. The Commission will accept, subject to timely filing for Centra Gas, on an interim basis, amended gas tariffs that reflect terms, conditions and rates for service to distribution grid system areas that are receiving gas from the Vancouver Island Natural Gas Pipeline, effective October 4, 1991.

DATED at the City of Vancouver, in the Province of British Columbia, this 11th day of October, 1991.

BY ORDER
