### ORDER

#### WHEREAS:

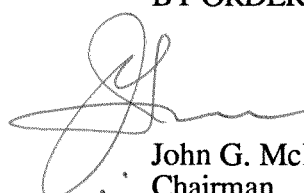

- A. The Corporation of the City of Nelson ("the City") applied on December 17, 1991 for Commission approval of interim rates contained in The Corporation of the City of Nelson Electrical Utility Regulatory Amendment By-Law No. 2482, 1991 ("the By-Law") applicable to electric service rendered by the City in its service area; and
- B. The amendments specified in the By-Law are to permit the City to increase all customer rates by 3.3 percent effective January 1, 1992, in order to recover increased electricity charges from its supplier, West Kootenay Power Ltd. ("WKP") as a result of the Commission issuing Order No. E-14-91 approving the WKP/Cominco Long-Term Firm Power Supply Agreement and 1999 Firm Power Supply Agreement; and
- C. The By-Law maintains the rate differential approved by Commission Decision and Order No. G-76-83 dated October 24, 1983; and
- D. The Commission has reviewed the Application and supporting material and finds that the interim rate increase is necessary and in the public interest.

NOW THEREFORE the Commission orders as follows:
