

AN ORDER IN THE MATTER OF the Utilities Commission
Act, S.B.C. 1980, c. 60, as amended

and

An Application by Pacific Northern Gas Ltd.

BEFORE: M.K. Jaccard, Chair;)
L. Barr, Deputy Chair;) January 14, 1993
K.L. Hall, Commissioner; and)

WHEREAS:

- A. On December 23, 1992 Pacific Northern Gas Ltd. ("PNG") applied to the Commission for approval to use a deferral account to capture interim Westcoast Energy Inc. ("WEI") tolls that became effective on January 1, 1993; and
- B. On December 23, 1992, PNG advised the Commission that WEI filed with the National Energy Board ("NEB") a July 31, 1992 application for interim and final tolls effective January 1, 1993; and
- C. On December 18, 1992, the NEB issued Order TGI-6-92 and advised WEI that a decision on its tolls would not be made prior to January 1, 1993 and authorized that interim tolls should be collected effective January 1, 1993; and
- D. The Commission has reviewed the Application and is satisfied that the procedure by PNG of using a deferral account to capture changes in gas costs and WEI interim toll changes properly conserves the public interest.

NOW THEREFORE the Commission orders as follows:

1. The Commission approves for PNG the use of a deferral account to capture WEI interim tolls effective with consumption on and after January 1, 1993.

DATED at the City of Vancouver, in the Province of British Columbia, this 29th day of January, 1993.
