Dear Mr. Masuhara:

Re: BC Gas Utility Ltd.
Application - Approval of Interruptible Gas Cost Changes - Order No. E-13-94

Further to your October 21, 1994 letter advising the Commission of Interruptible Gas Cost Changes resulting from Commission Order No. E-13-94, the Commission has reviewed the calculations for new gas prices effective November 1, 1994 for Rate Schedules 7, 8 and 10 in the Lower Mainland, Inland and Columbia service areas and confirms BC Gas' calculations in the application.

Please file amended Gas Tariff rate sheets for the rate schedules approved, outlining the winter and summer gas prices in accordance with the calculations submitted.

Yours truly,
