Dear Mr. Haines:

Re: Centra Gas British Columbia Inc.
Port Alice District 1994 Revenue Requirements and Revenue Deficiency

Further to your December 21, 1993 letter outlining Centra Gas' 1994 Revenue Requirements and Revenue Deficiency, the Commission wishes to confirm the following:

1. The Commission approves in principle the creation of a deferral account for the 1994 Port Alice Revenue Deficiency, subject to detailed examination concurrent with an application for Centra Gas' 1995 Revenue Requirements for the District.
2. A formal application for the 1994 deferral account is required to be made separately in conjunction with the 1995 Revenue Requirements application.
3. The Commission will allow the review of the 1994 and 1995 Centra Gas Port Alice District cost of service in conjunction with a 1995 Whistler revenue requirements proceeding.

An application for Centra Gas' Port Alice District 1995 Revenue Requirements and sufficient information supporting the 1994 Revenue Deficiency must be filed by December 1, 1994, otherwise the Commission's approval in principle for the 1994 deferral account will be revoked.

Yours truly,

Robert J. Pellatt
