Dear Mr. Sheehan:

Re: Re: British Columbia Hydro and Power Authority
IRP Consultative Committee

The Commission is in receipt of your letter dated December 13, 1994 in which B.C. Hydro requests a one month extension of the Commission's December 15, 1994 deadline for the establishment of an IRP Consultative Committee. This deadline is stated at page 58 of the November 24, 1994 Decision.

The Commission is concerned that any extensions at this early stage will lead to unacceptable delays in the production of B.C. Hydro's IRP, the deadline for which is June 30, 1995. The Commission grants an extension for establishment of the IRP Consultative Committee until December 30, 1994, but this extension has no effect on the timing of any other deadlines in the Decision.

Yours truly,
