Re: West Kootenay Power Ltd.
Application - Delay in Implementing Wholesale Power Rate Schedules

Further to your November 24, 1994 letter advising the Commission of the new rates negotiated with wholesale customers pursuant to Commission Decision and Order No. G-41-94, the Commission acknowledges that progress has been made between West Kootenay Power and its wholesale customers. The Commission approves the delay in filing the wholesale rate schedules to January 1, 1995.

Yours truly,
