Dear Mr. Hobbs:

Re: West Kootenay Power Ltd.
Revisions to Rate Schedule 73 - Extensions

Further to your application regarding Electric Tariff increases for pole-in-place costs, the Commission has reviewed the application and denies the request at this time. Instead, the Commission directs West Kootenay Power to consider the appropriate level of pole-in-place costs as part of the Extension Policy application ordered by the 1994 Revenue Requirements Decision. As indicated in the Decision, this application is to be filed with the Commission by November 30, 1994.

Yours truly,

A handwritten signature in black ink, appearing to read "R. J. Pellatt", written over a horizontal line.

Robert J. Pellatt
