Commission Order No. G-89-94

BEFORE: M.K. Jaccard, Chairperson; and )  
K.L. Hall, Commissioner ) February 20, 1995

**O R D E R**

**WHEREAS:**

- A. On February 11, 1994 British Columbia Hydro and Power Authority ("B.C. Hydro", "the Applicant"), pursuant to sections 64, 67 and 106 of the Utilities Commission Act, ("the Act") and Special Direction No. 8 filed an application to increase rates on an interim and permanent basis to all customers, effective with consumption on and after April 1, 1994; and
- B. By Order No. G-89-94 dated November 24, 1994, the Commission issued its Decision into the February 11, 1994 application and the Applicant's Integrated Resource Plan; and
- C. On February 8, 1995, B.C. Hydro applied to the Commission pursuant to section 114 of the Act for a reconsideration ("the Reconsideration Application") of certain aspects of the November 24, 1994 Decision and, pursuant to section 119(2) of the Act, for a stay of certain aspects of the Decision pending determination of the Reconsideration Application; and
- D. The Commission has considered the Applications and has determined that the following actions are required.

**NOW THEREFORE** the Commission orders as follows:

- 1. Any Registered Intervenor or other party who wishes to comment on the Reconsideration Application and the request for stay is to file a written submission with the Commission Secretary and the Applicant no later than Wednesday, March 15, 1995. Written submissions should address the following preliminary points:
  - (a) Should there be any reconsideration by the Commission?
  - (b) If there is to be a reconsideration, should the Commission hear new evidence and should new parties be given the opportunity to present evidence?
  - (c) If there is to be a reconsideration, should it focus on the items from the B.C. Hydro Reconsideration Application, a subset of these items, or additional items?
  - (d) Should there be a stay of aspects of the Decision as requested by B.C. Hydro and, if so, to what extent?
