Re: Pacific Northern Gas Ltd./Pacific Northern Gas (N.E.) Ltd.
1995 Revenue Requirements Application

Pursuant to Commission Order No. G-16-95, the Commission ordered an Alternate Dispute Resolution ("ADR") process to settle the PNG(NE) revenue requirements for the Dawson Creek and Tumbler Ridge Divisions. Final settlements for both divisions have been reached subject to formal acceptance from the respective intervenors who participated in the ADR.

The final settlements will be circulated to all intervenors for comment before they are presented to the Commission Panel for approval.

The Commission therefore defers the hearing scheduled for Dawson Creek on March 8, 1995, pending a formal order to deal with the above final settlements.

Yours truly,
