Dear Mr. Wallace:

Re: BC Gas Utility Ltd.  
Complaint - By-Pass Rate-FMC Corporation

This will acknowledge receipt of your April 28, 1995 letter complaining to the Commission, on behalf of your client, FMC of Canada Limited, with regard to FMC's by-pass rate and requesting the Commission appoint an independent Inquiry Officer.

It is the Commission's view that the appointment of an Inquiry Officer at this stage of a complaint would not be appropriate. Prior to deciding whether or not to appoint an Inquiry Officer, the Commission requires both parties to identify and present their positions, in writing, in anticipation that the complaint can be resolved.

Accordingly, and by copy of this letter to yourself and BC Gas, we require that FMC and BC Gas present written submissions and any supporting documentation to the Commission by June 30, 1995.

Yours truly,

A handwritten signature in black ink, appearing to read "R. J. Pellatt", written over a horizontal line.
