O R D E R

WHEREAS:

- A. On June 28, 1996 West Kootenay Power Ltd. ("WKP") applied for amendments to Rate Schedule 90 - Energy Management Services Tariff. The Commission, by Order No. G-77-96, approved the tariff amendments except for the Financial Incentive option; and
- B. On August 29, 1996 WKP provided the Commission with detailed information on the proposed Financial Incentive option indicating that the one percent premium charged to customers, over the commercial lending agreement between the customers and the banks, will enable the utility to recover its costs; and
- C. The Commission has reviewed the information and finds that approval of WKP's Financial Incentive option for Rate Schedule 90 is necessary and in the public interest.

NOW THEREFORE the Commission approves for WKP the Financial Incentive option to Rate Schedule 90 effective immediately.

DATED at the City of Vancouver, in the Province of British Columbia, this 18th day of September, 1996.
