## O R D E R

### WHEREAS:

- A. On January 31, 1996 West Kootenay Power Ltd. ("WKP") applied to the Commission for approval of amendments to Rate Schedule 70 - Supplementary Rate for Power Supply to Recreational Areas and specifically the cancellation of Sections A and B charges to Big White Ski Village at Kelowna, B.C. and Apex Alpine Ski Area at Keremeos, B.C.; and
- B. The cancellation of the supplementary charges is a result of electrical load growth in both recreational areas making the line facility charges at Big White \$0.57 per month and \$0.89 per month at Apex Alpine; and
- C. The Commission has considered the Application and is satisfied that approval is necessary and in the public interest.

**NOW THEREFORE** the Commission approves for WKP the cancellation of the monthly line facility charges in Sections A and B to customers under Rate Schedule 70 - Supplementary Rate for Power Supply to Recreational Areas at Big White and Apex Alpine, effective February 1, 1996.

**DATED** at the City of Vancouver, in the Province of British Columbia, this 21st day of February, 1996.
