Dear Mr. Harrison:

Re: British Columbia Hydro and Power Authority
Commission Order No. G-115-96 - Requirement for Customer Notification

Further to your December 13, 1996 letter requesting that the Commission waive the requirement that B.C. Hydro use a bill stuffer for customer notification for the Seven Mile Unit No. 4 Project, the Commission accepts B.C. Hydro's request. The Commission confirms that B.C. Hydro does not need to provide customers with a pre-printed notice on their next customer bill.

Yours truly,
