Dear Mr. Yardley:

Re: BC Gas Utility Ltd.
Revelstoke Propane Increase Inquiry
Reconsideration Application for Participant Cost Award - City of Revelstoke

The Commission has considered your letter dated December 3, 1996 requesting reconsideration of Letter No. L-60-96 which denied costs associated with participation in the Inquiry into the Revelstoke Propane Increase. The Commission wishes to advise that the City of Revelstoke's application for reconsideration of a cost award has been denied. The Commission may award participant assistance to local governments as circumstances warrant but in this case, the Commission determines that the nature of the subject Inquiry does not support Revelstoke's funding request.

Yours truly,
