Dear Mr. Masuhara:

Re: BC Gas Utility Ltd.
Application - Deferral Account for Peaking Supply Feasibility Study
Delay in Filing Report Pursuant to Order No. G-105-96

Further to your undated letter received December 23, 1997 requesting a delay in filing the Report on Peaking Supply Feasibility Study pursuant to Commission Order No. G-105-96, the Commission agrees to the delays from December 31, 1996 to as follows:

- Resource Stack Summary to be filed by January 10, 1997
- SCP Engineering Report to be filed by January 17, 1997.

Yours truly,
