Dear Ms. McCool:

Re: Application for Reconsideration of Order No. F-12-95  
BC Gas 1996-1998 Revenue Requirements Application

With reference to your application of February 20, 1996 for a formal reconsideration of Order No. F-12-95, with a variation to allow for full payment of all of the costs claimed by PIAC in the above hearing, the Commission circulated your application and related document to BC Gas and other Intervenor for comment. No comment was received by the deadline of March 15, 1996.

The Commission has applied the usual criteria for assessing a reconsideration application and has concluded that your application does not meet the criteria for reconsideration.

Yours truly,

  
for: Constance M. Smith
