P.G. Bradley, Commissioner)

O R D E R

WHEREAS:

- A. On June 24, 1998, Princeton Light and Power Company, Limited ("PLP") applied, pursuant to Section 56(1) of the Act, for Commission approval of a deferral account to amortize expenditures relating to a test site for 'time-of-use' technology research and development ("the Project"); and
- B. The total amount of the deferral account is \$37,717 to be amortized over a 36-month period. The funds relate to PLP's participation in the Project, with the Princeton & District Community Skills Training Centre, which is designed to develop energy efficient products and to train trades people how to implement and make use of time-of-use, load shifting and load reducing strategies; and
- C. The Commission has reviewed the application and finds that approval is necessary and in the public interest.

NOW THEREFORE the Commission approves for PLP a deferral account in the total amount of \$37,717 to be amortized over a 36-month period, relating to the utility's participation in the Project.

DATED at the City of Vancouver, in the Province of British Columbia, this 14th day of July, 1998.
