**O R D E R**

**WHEREAS:**

- A. The Commission, on February 2, 2000 and by Order No. G-11-00, adjourned the public hearing into Princeton Light and Power Company, Limited's ("PLP") Application for a Certificate of Public Convenience and Necessity to build a substation that would allow it to connect to British Columbia Hydro and Power Authority's transmission system; and
- B. On May 17, 2000, PLP applied to the Commission to record \$108,346 of expenditures associated with the substation application in a deferral account and amortize the expenses at a rate of \$10,834.60 per annum over a ten-year period commencing in the 2000/01 fiscal year; and
- C. The Commission has considered the application for a deferral account and finds that it should be approved.

**NOW THEREFORE** the Commission approves for PLP the recording of expenditures associated with its substation application in a deferral account, and the amortization of the account over a ten-year period commencing with the 2000/01 fiscal year.

**DATED** at the City of Vancouver, in the Province of British Columbia, this 6<sup>th</sup> day of June 2000.
