

IN THE MATTER OF
the Utilities Commission Act, R.S.B.C. 1996, Chapter 473

and

An Application by Squamish Gas Co. Ltd.
for Approval to Increase Natural Gas Customer Rates

BEFORE: P. Ostergaard, Chair)
L.R. Barr, Deputy Chair)
P.G. Bradley, Commissioner)
B.L. Clemenhagen, Commissioner) December 7, 2000
K.L. Hall, Commissioner)
N.F. Nicholls, Commissioner)

O R D E R

WHEREAS:

- A. On December 1, 2000, Squamish Gas Co. Ltd. ("Squamish Gas") applied to the Commission for approval to increase its natural gas Large General Service customer rates and Apartment Customer Rates ("ACR-1"), effective January 1, 2001, to be consistent with the rates approved by Commission Order No. G-109-00 for the Pioneer Large General Service and ACR-1 customers of Centra Gas British Columbia Inc. ("Centra Gas"); and
- B. As a condition of the Special Direction and the terms of the Vancouver Island Natural Gas Pipeline Act, Centra Gas monitors the prices for heating oil available to customers. Under the Special Direction, the current Centra Gas Pioneer General Service and ACR-1 rates are set at the lower of a 10 percent discount to the average price of fuel oil or 67 percent of the British Columbia Hydro and Power Authority ("B.C. Hydro") residential electricity rate. At current B.C. Hydro rates, the maximum rate that could be charged to Pioneer General Service and ACR-1 customers is \$10.74 per gigajoule; and
- C. As a result of higher competitive fuel oil prices, the oil-based natural gas rates to Centra Gas Pioneer General Service customers were increased between 2.04 to 2.05 percent for LGS-1 and LGS-2 customers, effective January 1, 2001. Rates for the ACR-1 customers were increased between 2.09 to 2.26 percent, effective January 1, 2001; and
- D. Squamish Gas adopts the same rate changes for its oil-based natural gas rates as those approved for Centra Gas; and

E. The Commission has reviewed the Squamish Gas application and finds that approval is required.

NOW THEREFORE the Commission orders the following for Squamish Gas:

1. An increase in rates to Large General Service customers of between 2.04 to 2.05 percent for the LGS-1 to LGS-12 customers is approved, effective January 1, 2001.
2. An increase to the ACR-1 rate schedule of 2.09 percent is approved, effective January 1, 2001.
3. Squamish Gas is to inform all customers of the January 1, 2001 rate changes by way of a customer notice included in the next billing.

DATED at the City of Vancouver, in the Province of British Columbia, this 11th day of December 2000.

BY ORDER
