Single System Operator Report

Thank-you for your letter of December 23, 1999. The Commission accepts that correspondence as sufficient to satisfy the direction at page 30 of the Transmission Access Application Decision.

The Commission also accepts WKP's proposal to submit a second report by June 30, 2000, setting forth the particulars of the model contemplated by British Columbia Hydro and Power Authority and WKP for a single system operator in British Columbia.

Yours truly,
