Dear Mr. Sawchuk:

Re: Participant Assistance Cost Award Application
Plateau Pipe Line Ltd.
Taylor to Kamloops Pipeline – Application for Permanent Tolls

The Commission received your April 16 and June 13, 2001 submissions for participant assistance regarding your attendance and submission on April 4 and 5, 2001 at the oral public hearing into Plateau Pipe Line Ltd.'s ("Plateau") December 29, 2000 toll application. Plateau filed its toll application pursuant to Part 7 of the Pipeline Act and in accordance with Commission Order No. P-10-00 as amended by Order No. P-1-01. Part 7 of the Pipeline Act does not contain a provision for participant assistance and accordingly the Commission denies your request for participant funding.

Yours truly,
