Dear Mr. Aldeguer:

Re: British Columbia Hydro and Power Authority
Rate Schedule 1854 – Contract Extensions

In a letter dated November 28, 2001, B.C. Hydro requested that it be allowed to extend to January 31, 2002 the contracts of three Rate Schedule 1854 customers whose contracts expire on various dates in January. The extension would be at the customer's option and on existing terms and conditions. If any of the three customers do not agree to the extension of the current term, B.C. Hydro will offer pricing options, if any, based on the current terms and conditions of Rate Schedule 1854.

The Commission hereby approves the request.

Yours truly,
