Mr. C.P. Donohue
Director, Regulatory Affairs & Gas Supply
Pacific Northern Gas Ltd.

Vancouver, B.C. V6E 4E6

Dear Mr. Donohue:

Re: Pacific Northern Gas Ltd.
2002 Revenue Requirements Application
Regulatory Timetable—Amendment

By e-mail dated January 30, 2002, Mr. Gustafson expressed concerns to the Commission, with a copy to Pacific Northern Gas Ltd. ("PNG") and registered intervenors, that PNG's responses to information requests that were due by January 28, 2002 had not been received by intervenors. Mr. Gustafson proposed the following revision to the filing deadlines established by Commission Order No. G-132-01:

	<u>2002</u>
Intervenor Evidence Filed	Wednesday, February 6
Information Requests on Intervenor Evidence Issued	Monday, February 11
Intervenor Information Responses	Monday, February 18

PNG responded by e-mail to Mr. Gustafson on January 30, 2002, with a copy to the Commission and registered intervenors, that the information responses were provided to the Commission on January 30th and registered intervenors in Vancouver would receive their copies on January 31st. Intervenors outside of Vancouver would receive their copies on February 1st. PNG also stated that the proposed revision to the regulatory timetable was acceptable. No other comments have been received and the Commission approves the proposed revisions to the regulatory timetable.

Yours truly,
