Dear Mr. Cook:

Re: Inga Oil Transmission Pipeline
Regulation of Intraprovincial Oil Pipelines

By letter dated August 1, 2000 the Enerplus Group informed the Commission that Pursuit Resources Corp., Aztec Resources Corp. and Newcal Energy Inc. were amalgamating into EnerMark Inc. effective July 1, 2000. Newcal Energy Inc. had been providing annual forecast statements and variance reports to the Commission on the Inga Oil Transmission Pipeline with the most recent report filed on March 8, 2000.

By letter dated June 23, 2003 (copy attached) Commission staff requested that EnerMark Inc. file the actual results for the Inga Oil Transmission Pipeline for 2000, 2001, 2002 and a forecast for 2003. To date the reports have not been received. The Commission directs EnerMark Inc. to file the reports for 2000 to 2003 by October 31, 2003.

Yours truly,
