Dear Mr. Wing:

Re: Insurance Corporation of British Columbia ("ICBC")  
Applications to be filed with the Commission in 2004

The Commission Panel reviewed your letter dated February 2, 2004, which recommends that the requirement for a proposal with respect to ICBC's competitive practices be deferred until the legislative framework has been completely enacted and all parties have had an opportunity to review and consider the entire legislative package.

The Commission Panel grants ICBC's request that the filing requirement for a proposal with respect to ICBC's competitive practices be deferred. However, the Commission Panel requires the proposal to be filed no later than the date of the 2005 Revenue Requirements Application, which is expected to be on or about July 5, 2004.

Yours truly,
