ICBC – 2006RR Exhibit A-12

To: Insurance Corporation of British Columbia
Registered Intervenor (ICBC-2006RR-RI)

Re: Insurance Corporation of British Columbia ("ICBC")
Project No. 3698393 – Order No. G-78-05, Order No. G-85-05, Order No. G-108-05
and ICBC's filing of a Confidential Response to Commission Information Request 43.3

On October 27, 2005 the Commission issued Letter No. L-93-05 wherein it initiated a process that will further examine the issue and seek to determine whether or not the current confidential status of Exhibit B-10 requires to be preserved.

The above process did not provide for a final reply by ICBC to Registered Intervenor submissions, as this step was unintentionally omitted. The Commission Panel hereby amends the process set out in Letter No. L-93-05 by including the opportunity for ICBC to submit a final reply to Registered Intervenor submissions by the close of business on Thursday, November 3, 2005.

Yours truly,
