Dear Mr. Thomson:

Re: Terasen Gas (Whistler) Inc.
Gas Cost Deferral Account and Propane Rates
2005 Second Quarter Report

This is in response to the June 7, 2005 Second Quarter Report from Terasen Gas (Whistler) Inc. ("Terasen Whistler"), which projected an after-tax deficit balance of \$114,000 in the Whistler Gas Cost Reconciliation Account at the end of June 2005 and a credit balance of \$75,000 at the end of June 2006 with current rates. Terasen Whistler recommended no changes to rates effective July 1, 2005.

The Commission accepts Terasen Whistler's recommendation that propane grid system rates for the Whistler service area not change effective July 1, 2005.

Yours truly,
