To: Terasen Gas (Vancouver Island) Inc. and  
2006 – 2007 Revenue Requirements Registered Intervenor (*TGVI\_2006-07RR-RI*)

Re: Terasen Gas (Vancouver Island) Inc. ("TGVI")  
Application for Approval of  
Forecast Rates and Revenue Requirements for years 2006 and 2007  
and Revenue Deficiency Deferral Account balance as at December 31, 2004

By Letter No. L-79-05, the Commission established a Regulatory Agenda for negotiated settlement discussions into the TGVI 2006-2007 Revenue Requirements Application and scheduled a Procedural Conference for November 21, 2005. A Negotiated Settlement Agreement has not been made public and there may be insufficient time for intervenors whom did not participate in the negotiated settlement discussions to the review the document prior to the Procedural Conference. Accordingly, the Commission has cancelled the November 21, 2005 Procedural Conference.

After the Negotiated Settlement Agreement has been made public, the Commission will determine what further review process is required.

Yours truly,
