Dear Mr. Franzen:

Re: Terasen Multi-Utility Services Inc. – Sun Rivers
("TMUS", previously BCG Services)
2004 Annual Reports

In Letter No. L-33-99, dated June 18, 1999 the Commission declined to exempt Sun Rivers from public utility status. As a regulated utility, TMUS is required to file an Annual Report with the Commission and provide the additional information listed in Letter No. L-36-94. The 2004 Sun Rivers Annual Report submitted to the Commission on May 11, 2005 does not meet the Annual Report requirements for gas and electric utilities.

The Commission requires TMUS to provide two 2004 Annual Reports that conform to the Annual Report standards for gas and electric utilities, and provide the additional information listed in Letter No. L-36-94 by July 31, 2005. Enclosed are the forms that are to be used in completing Annual Reports for gas and electric utilities. If TMUS has questions regarding the preparation of its Annual Reports, TMUS may contact Ms. Suzanne Sue of the Commission's staff.

Yours truly,
