- B. In the filing, BCTC applied for an Order stating that the F2008 Capital Plan meets the requirements of Sections 45(6) and 45(6.1) of the Act, that approves the Plan pursuant to subsection 45(6.2)(a) of the Act and that finds under subsection 45(6.2)(b) of the Act that capital expenditures relating to certain projects and programs for F2008 and F2009 in the Plan are in the public interest (the "Application"); and
- C. By Order No. G-5-07 dated January 19, 2007, the Commission established a written public hearing for the review of the F2008 Capital Plan Application and the Regulatory Timetable for the process; and

- E. The Commission has considered the matter, and has determined that the requested extension to the filing dates should be approved.
