Dear Mr. Reghelini:

Re: British Columbia Transmission Corporation ("BCTC")
Open Access Transmission Tariff ("OATT")
Tariff Enforcement, Monitoring and Reporting Review

BCTC submitted its Tariff Enforcement, Monitoring and Reporting Review to the Commission on December 1, 2006, in compliance with a directive of the Commission's OATT Decision, dated June 20, 2005, to evaluate and report on such procedures by December 31, 2006. The Commission considers that this Review properly complies with the associated directive in the OATT Decision. BCTC expects to complete its work on certain of the recommendations of the Review by June 30, 2007. The Commission desires that BCTC provide it with a status report on this work by July 13, 2007.

Yours truly,
