| Marauder Resources West Coast Inc. Common Carrier/Common Processor – CNRL & Pioneer | Exhibit A-13 |
|--|---------------------|

TO: Marauder Resources West Coast Inc.
Registered Intervenors (Marauder-RI)

Re: Marauder Resources West Coast Inc.
Applications for Common Carrier/Common Processor Orders
to Canadian Natural Resources Limited and Pioneer Natural Resources Canada Ltd.
Velma Field, Bluesky Pool

Canadian Natural Resources Limited Application for Leave to File Additional Evidence

The Commission has received the enclosed letter dated November 20, 2006 from counsel for Canadian Natural Resources Limited ("CNRL") requesting leave to have a letter from CNRL dated November 17, 2006 admitted into evidence in the proceeding. The Commission understands that the CNRL letter dated November 17, 2006 and a letter also dated November 17, 2006 from counsel for Marauder Resources West Coast Inc. commenting on the CNRL letter have been copied to participants in the proceeding.

The Argument phase of the proceeding is currently in progress, with Final Submissions by Intervenors to be filed by Thursday, November 23, 2006.

Participants who wish to make submissions on CNRL's leave application for its November 17, 2006 letter and on changes that should be made to the Regulatory Timetable in the event that the letter is accepted into evidence, are to do so in writing by 12:00 noon on Tuesday, November 21, 2006, with a copy to CNRL. CNRL will reply in writing to the submissions by noon on Wednesday, November 22, 2006. The Commission intends to make a ruling in the matter as soon as possible after it receives the submissions and reply.

Yours truly,

Attention: Mr. Robert J. Pellatt
Commission Secretary

Dear Sir:

Re: Applications by Marauder Resources West Coast Inc. for Common
Carrier/Processor Orders against Canadian Natural Resources Ltd. and Pioneer
Natural Resources Canada Inc., Velma Field Bluesky Pool
Our Reference: CNR214

On behalf of Canadian Natural Resources Limited ("CNRL") we write to seek leave of this Commission to have the correspondence of Mr. Jerry Harvey dated November 17, 2006 admitted into evidence and considered by this Commission in the disposition of the above-noted applications. A copy of Mr. Harvey's correspondence is attached hereto.

We respectfully submit that the information contained in the letter is relevant and should be considered by this Commission. The wells owned by CNRL and producing from the Velma Bluesky Pool have been shut-in as of November 17, 2006 in accordance with Mr. Harvey's letter. The information contained in this letter reflects the current situation regarding production from the Velma Bluesky pool and is relevant information that should be considered by this Commission.

We have also received Mr. Williams correspondence dated November 17, 2006 in response to Mr. Harvey's letter. We are somewhat dismayed and surprised by Marauder's position. It is

hard to imagine how Marauder has been prejudiced by CNRL voluntarily shutting in the wells. In any event, if Marauder truly feels it has been prejudiced by Mr. Harvey's letter, Mr. Harvey can be presented for further cross examination or can answer questions by way of written interrogatories.

Accordingly, we request leave to have Mr. Harvey's letter dated November 17, 2006 entered into evidence and considered by this Commission.

Yours truly,
THACKRAY BURGESS
