Marauder Resources West Coast Inc. Application for an Extension of Time to file Argument

This is in response to the November 27, 2006 letter from Marauder Resources West Coast Inc ("Marauder") requesting an extension to December 5, 2006 of the time to file its Reply Argument. The letter states that Marauder did not receive the Final Submission of Canadian National Resources Ltd. until November 27, 2006, and that Mr. Williams has a prior commitment to be out of town from November 30 through December 3, 2006.

In the circumstances, the Commission grants the request for an extension to Tuesday, December 5, 2006 for Marauder to file its Reply Argument.

Yours truly,
