Dear Sirs and Madames:

Re: Unocal Canada Limited  
Application for an Exemption pursuant to Section 88(3)  
of the Utilities Commission Act for the Aitken Creek Storage Facility

Unocal Objection to Responding to Certain Information Requests

---

The Commission has received a letter from Unocal Canada Limited ("Unocal") dated January 24, 2007, in which Unocal objects to providing responses to certain Information Requests from the British Columbia Old Age Pensioners' Organization et al. and the Commission (Exhibit B-7). Unocal submits that it is unable to answer these questions without divulging commercial information to its commercial detriment, and requests an Order from the Commission stating that it is not required to disclose this information.

Parties who wish to submit comments to the Commission on Unocal's request, should do so in writing by Wednesday, January 31, 2007, with a copy to Unocal. Unocal will reply to any comments it receives by Friday, February 2, 2007.

Notwithstanding the Regulatory Timetable that was established by Order No. G-155-06, Unocal is hereby granted an extension to the time when it is obliged to respond to the Information Requests that are identified in its January 24, 2007 letter, until the Commission responds to the Unocal request that it not be required to provide this information.

Yours truly,
