To All Gas Marketers:

Re: Current Gas Marketer Pricing Information

The British Columbia Utilities Commission considers that the publication of Gas Marketers' pricing information is vital to a healthy unbundling market. It is a fundamental foundation of this marketplace that the consumer be allowed to compare actual available contract offerings from a number of Gas Marketers. Therefore it is vital that all Gas Marketers provide current information to the Terasen Gas Inc. market pricing depository website. Please ensure that your contract available prices are posted by May 9, 2007 and correctly updated thereafter.

Failure to comply with this request may result in the suspension of your Gas Marketer licence.

Yours truly,
