BC HYDRO
2007 RATE DESIGN EXHIBIT A-6

Ms. Joanna Sofield
Chief Regulatory Officer
British Columbia Hydro and Power Authority
17th Floor, 333 Dunsmuir Street
Vancouver, B.C. V6B 5R3

Dear Ms. Sofield:

Re: British Columbia Hydro and Power Authority ("BC Hydro")
2007 Rate Design Application
E-Plus Customers Information Request No. 1

The Commission Panel is aware that the E-Plus Customers Group has not been able to meet the May 23, 2007 deadline for issuing Information Request No. 1 to BC Hydro as set out in the Regulatory Timetable in Appendix A to Commission Order No. G-50-07. The E-Plus Customers Group filed its Information Request No. 1 on May 24, 2007.

The Commission Panel is concerned with the delay but nonetheless has determined that the E-Plus Customers Group Information Request No. 1 be accepted for filing. Accordingly, BC Hydro is given an extra two days to respond to the questions. The submission date of BC Hydro Responses to E-Plus Customers Information Request No. 1 is Friday, June 8, 2007.

Yours truly,
