Mr. Darryl Parent
Vice President Energy Procurement
Universal Energy Corporation
1700 – 25 Sheppard Avenue West
Toronto, Ontario M2N 6S6

Dear Mr. Parent:

Re: Universal Energy Corporation (“Universal”)
Third Party Verification Review

Commission staff has reviewed the Third Party Verification script supplied in an e-mail dated Friday, August 3, 2007. The script does not comply with Order No. G-73-07 (Appendix A, page 6). It is deficient in the following major topics as described in the above Order:

- The commitment to the Universal contract is voluntary
- Customer may not save money
- Cancellation rights under the 10 day cooling off period is not discussed

The interpretation of Order G-73-07 should be straight forward. If Universal wishes to dispute the interpretation of the direction in the Order, a hearing process can be scheduled to accommodate that request.

Yours truly,
