PLATEAU PIPELINE LTD
2007 TOLLS FOR THE WESTERN SYSTEM EXHIBIT A-3

Dear Mr. Jeffrey:

Re: Plateau Pipe Line Ltd. ("Plateau", "the Company")
Application for the Approval of 2007 and 2008 Western System Tolls

On October 5, 2007, Plateau informed the Commission that the Company, Husky Oil Operations Limited ("Husky") and Chevron Canada Limited ("Chevron") (collectively the "Parties") were unable to reach a negotiated settlement regarding the Western System Tolls to be effective July 1, 2007. In accordance with Commission Order No. P-6-07, Plateau filed the 2007 Western System Tolls Application (the "Application") on November 30, 2007. The Commission requests submissions from the Parties regarding the following:

- the inclusion of material from the May 30, 2007 to September 30, 2007 negotiations between the Parties as exhibits in the proceeding
- the process options for review of the Application
- the registration of Intervenor and Interested Parties in addition to Husky and Chevron
- proposed regulatory timetable and dates (see the attached draft regulatory timetable)
- the location of the proceeding and any other matters that would assist the Commission to efficiently review the Application

Please provide an e-mail response to the Commission request for submissions by Tuesday, December 18, 2007.

Plateau is to provide a copy of this letter to all of its Shippers on the Western System.

Yours truly,
