Re: British Columbia Hydro and Power Authority
Project No. 3698500/Order No. G-21-08
F2009 and F2010 Revenue Requirements Application

The Commission, in Appendix A to Order No. G-78-08 dated April 30, 2008, set out further the Regulatory Timetable to review the BC Hydro F2009 and F2010 Revenue Requirements Application. The Regulatory Timetable included the Evidentiary Update to be filed on Monday, June 30, 2008 and Commission and Intervenor Information Requests ("IR") No. 3 on the Evidentiary Update to be filed Tuesday, July 8, 2008.

On June 27, 2008, BC Hydro filed a letter with the Commission advising that it will be filing its Evidentiary Update on Wednesday, July 2, 2008 rather than Monday, June 30, 2008 and requesting that the Regulatory Timetable in Appendix A of Order No. G-78-08 be amended so that the Commission and Intervenor Information Requests on the Evidentiary Update are submitted on Wednesday, July 9, 2008.

The Commission, by this Letter, amends the Regulatory Timetable as follows:

- BC Hydro Evidentiary Update on F09/F10 RRA to be filed by Wednesday, July 2, 2008.
- BCUC and Intervenor IR No. 3 on the Evidentiary Update to be filed by Wednesday, July 9, 2008.

The other dates in the Regulatory Timetable contained in Appendix A to Order No. G-78-08 remain unchanged.

Yours truly,
