Re: Customer Choice Program  
Terasen Gas Website: Price Depository

The Commission is in receipt of an email dated May 4, 2009 from Scott Webb at Terasen Gas Inc. advising the Commission that Ag Energy Cooperative Ltd., MxEnergy (Canada) Ltd., and Nexen Energy Solutions did not submit their rates for May 2009 for the Terasen Gas Website Price Depository.

Please note that Item 5 of Commission Order G-9-09 dated February 19, 2009 stated:

*"Gas Marketers are to submit price data directly to TGI for the Market Price Depository website at least one full business week prior to the end of each month beginning March 24, 2009. This information is to be provided as a condition of maintaining a Gas Marketer Licence."*

At the 2009 Annual General Meeting, pursuant to Agenda Item 2.20, Gas Marketers were reminded to ensure that they submit their price information to Terasen Gas as per the direction of Commission Order G-9-09. Further, Gas Marketers were advised that following a hearing, they may have their Gas Marketer Licence suspended for a period of time if they did not submit their price information to Terasen Gas. It was also noted that habitual non-compliance may result in lengthy suspension periods.

The Commission notes that the Gas Marketers identified above have not complied with Commission Order G-9-09. The Gas Marketers are again reminded to submit their price information pursuant to the Commission Order.

Yours truly,
