Dear Mr. Loski:

Re: Terasen Gas (Whistler) Inc.
2009 Third Quarter Gas Cost Report

On September 3, 2009 Terasen Gas (Whistler) Inc. ("Terasen Whistler") filed its 2009 Third Quarter Gas Cost Report for information, and proposed no changes to current rates. Terasen Whistler proposes to review and adjust the gas cost recovery component of Whistler rates, including the amortization of the December 31, 2009 balance within the Gas Cost Reconciliation Account, in conjunction with the delivery components of rates to be effective January 1, 2010 as part of its revenue requirements application anticipated to be filed later this month.

By this letter, the Commission acknowledges receipt of the Report and accepts Terasen Whistler's proposal that customer rates remain unchanged as of October 1, 2009.

Yours truly,
