Dear Ms. Roy:

Re: FortisBC Energy (Whistler) Inc.
Whistler Service Area
2011 First Quarter Gas Cost Report

Further to your March 3, 2011 filing of the 2011 First Quarter Gas Cost Report (the Report) for the Whistler Service Area. The British Columbia Utilities Commission (Commission) acknowledges receipt of the Report and accepts the recommendation that customer rates remain unchanged for the Whistler Service Area, as of April 1, 2011.

The Commission notes that in the Commission letter, dated June 15, 2010, that accompanied Commission Order G-106-10, the Commission directed FortisBC Energy Inc. to work with Commission staff to revalidate the methodology associated with the quarterly review of natural gas commodity costs and rates (the Review) and notes that the report summarizing the Review has not yet been filed with the Commission. For this reason, the points in the Report that were specifically related to the anticipated results of the Review were not considered by the Commission

Yours truly,

Erica M. Hamilton
