Dear Mr. Darmohray:

Re: Big White Gas Utility Ltd.  
Fiscal 2012- Financial Forecasts

This letter is to confirm that for Fiscal 2012, Big White Gas Utility Ltd. (Big White) is not required to file a financial forecast as part of its annual regulatory report to the British Columbia Utilities Commission (Commission).

For 2012 and onwards, in accordance with the *Utilities Commission Act (UCA)*, Big White is required to file with the Commission a standard utility annual report as required by sections 24 and 49 of the *UCA* and as prescribed by Commission Letters L-36-94 and L-14-95. In the future, Big White is only required to file annual financial forecasts as part of a revenue requirements application requesting Commission approval for a change in rates, or if directed otherwise.

Yours truly,

Alanna Gillis
