Dear Ms. Kennedy:

Re: Pacific Northern Gas Ltd.

2012-2013 Annual Gas Contracting Plan (November 2012 – October 2013)

On May 2, 2012, Pacific Northern Gas Ltd. (PNG) filed, on a confidential basis, its 2012-2013 Annual Gas Contracting Plan (ACP). The ACP describes the physical gas supply resources PNG intends to secure to meet the projected peak day and average daily gas demand of PNG's gas sales customers over the November 2012 to October 2013 gas year. On August 21, 2012, PNG filed an amendment to the ACP (Amendment).

The Commission reviewed the ACP and the Amendment and finds the amended ACP to be in the public interest and accepts it for filing. In accordance with PNG's request, the Commission will hold the ACP and related filings confidential due to market sensitive information.

Yours truly,

Erica Hamilton
