Dear Ms. Miller:

Re: Sun Peaks Utilities Co., Ltd.  
Filing of Commodity Cost Reports  
in Compliance with Commission Order G-76-12

The BC Utilities Commission (Commission) is in receipt of the Sun Peaks Utilities Co., Ltd. (SPUCL) commodity cost filings dated November 15, 2012 and December 3, 2012 in compliance with Commission Order G-76-12. The Commission has reviewed the filings and accepts SPUCL's recommendation that the Commodity Gas Charge remain unchanged at this time.

By May 16, 2013, SPUCL is directed to file with the Commission a report on the Gas Cost Recovery Account balances, updated forecast propane costs for the following 12 months, an update on the natural gas pipeline alternative and, if necessary, proposed changes to commodity rates to be effective June 1, 2013.

Yours truly,

Erica Hamilton
